***“We travelled with Interski to Formigal in Spain for a school ski trip over the February half term. The entire experience was excellent from start to finish; the booking process, pre travel arrangements, coach company, the Interski staff in resort and the high quality of the hotel and particularly the ski instructors. The resort itself was also very good. I have led ski trips for over 20 years and this was, without doubt, the best trip I have led.”***
